CERTIFICATION

Certification is not guaranteed. In order to receive the certification, all requirements must be fulfilled in a satisfactory manner, you must pass the final exam, and you must demonstrate that you can effectively teach a class. The scheduled group meeting times and the workshops are considered mandatory and if you miss them you need to make them up.

There are options for gaining the experience/knowledge from a missed workshop or TTC session. Inquire with Ian and he will guide you on how to do it. It may take longer than the program date range to complete the requirements.
