

AWAKENING CONSCIOUSNESS YOGA TEACHER TRAINING SACRED VALLEY OF THE INKA / MACHU PICCHU JUNE 1-29TH

with Ian Darrah & Kyle Roberts

Receive guidance from Master Teachers and Shamans in an extraordinary Yoga Teacher Training setting. Our program follows US Yoga Teacher Training Standards focusing on communication skills, training, techniques and practice; anatomy and physiology, yoga philosophy, lifestyles and ethics. Also included are teaching skills to develop and lead classes, ability to read bodies, cultivate compassion and commit to continued studies in yoga. And then, you also get so much more as you activate your highest potential and expand your consciousness for a more loving, kinder and collaborative world. You will receive exceptional training and experience that will vastly improve your own personal practice and ability to teach powerfully & successfully. You will leave feeling invigorated and refreshed and ultimately transformed the rest of your life! Shine bright and bring this light forth on your yoga path.
